## Partner With Us

By partnering with the Jefferson County Military Families Support Network (JCMFSN), you will help honor military families for the sacrifices they have made for us and our community.

Many Jefferson County military members respond to other parts of the United States for duty from the National Guard armories located in Festus and De Soto.

There are several national programs to support our troops, but local families may feel left behind and forgotten, especially when they do not live near a military base.

The nearest bases to Jefferson County are Lambert Field, Scott Air Force Base and Fort Leonard Wood.

The numbers of our returning veterans will only increase in the months and years ahead of us, increasing the need to support the military families in our community.

Please partner with JCMFSN and become a vital link in the network that Jefferson County military families will trust for well-deserved support.

## OUR MISSION

To provide strength and resilience for military families through the people of Jefferson County, Missouri.
